The applicant's claims

You applied for a Visitor (Tourist stream) Subclass 600 visa on 01/05/2015 in order to visit Australia with your mother Mrs Danara Artygaliyeva and your father Mr Adelto Marrero Marti to visit Australia for 4 weeks.

Information and evidence considered

I am a delegated decision maker under section 65 of the *Migration Act 1958* (the Act). In reaching my decision, I have considered the following:

- ☞ relevant legislation contained in the Act and *Migration Regulations 1994* (the Regulations) collectively "migration law";
- ☞ information contained in the department's Procedures Advice Manual 3;
- ☞ documents and information provided by the applicant(s); and
- ☞ other relevant information held on departmental files.

Reasons for Decision

Under migration law, an application is made for a class of visa and your application must be considered against the criteria for all subclasses within that visa class.

Your application has been considered against the criteria for 600 - VISITOR visa.

600.211

The applicant genuinely intends to stay temporarily in Australia for the purpose for which the visa is granted, having regard to:

people our business

- (a) whether the applicant has complied substantially with the conditions to which the last substantive visa, or any subsequent bridging visa, held by the applicant was subject; and*
- (b) whether the applicant intends to comply with the conditions to which the Subclass 600 visa would be subject; and*
- (c) any other relevant matter.*

Tourist Stream:

600.221

The applicant intends to visit Australia, or remain in Australia:

- (a) to visit an Australian citizen, or Australian permanent resident, who is a parent, spouse, de facto partner, child, brother or sister of the applicant; or*
- (b) for any other purpose that is not related to business or medical treatment.*

After considering the information you have provided as evidence of your purpose in visiting Australia, I am not satisfied that you genuinely intend to stay in Australia temporarily.

You applied along with your parents. I consider that as your parents did not meet the genuine temporary stay requirements for the grant of a visa at the time of my decision, I find that you, as her dependent and accompanying family member, have also been unable to demonstrate that you meet the genuine temporary stay requirement.

I am therefore not satisfied that you meet Regulation 600.211.

Decision

As you do not meet one or more clauses in Schedule 2 of the Regulations, I find that you do not meet the criteria for the grant of a VISITOR (Class FA) VISITOR (Subclass 600) visa.

Therefore, I refuse your application for a VISITOR (Class FA) VISITOR (Subclass 600) visa lodged at Moscow.
