Dear Danara ARTYGALIYEVA

Notification of grant of a Visitor (subclass 600) visa

I wish to advise that a decision has been made on this application and visas have been granted on 30 June 2015 to the applicant(s) listed in the attached Visa Grant Notice, which contains important information about your visa(s).

Please keep a copy of this letter and the Visa Grant Notice in a safe place for your reference.

Please note: if your application contained multiple applicants, each applicant that has been granted a visa will be sent their own Visa Grant Notice. Any other applicants should not make arrangements to travel to Australia unless they have received their own Visa Grant Notice.

The date on this notification, and the date of visa grant, are according to Australian Eastern Standard Time [UTC +10] (incorporating Daylight Saving Time [UTC +11], if applicable) on the relevant day. Depending on your location, these dates may differ by one day from your local date and may be in the future. Despite this, your Australian visa is already in effect - there is no need to delay travel to Australia until the commencement of the later day.

Maintaining a valid visa

Your visa expires 3 month(s) from the date of entering Australia.

It is important to take note of this stay period after your arrival in Australia. You will need to leave Australia or make alternative arrangements with the department before this date or you will become unlawful. If you think you will not be able to depart Australia by the date your visa expires, you should contact the department as soon as possible.

More information is available at www.immi.gov.au/csrs

Australia is visa label-free

Australia's electronic visa system does not require you to have a visa label placed in your passport. More information is available at www.immi.gov.au/visa-labels

You can access your visa information at any time using **Visa Entitlement Verification Online (VEVO)**, a free web-based service available 24 hours a day, seven (7) days a week.

You should keep this letter in a safe place as it contains useful information which will assist you when accessing VEVO. To log into VEVO you will need your passport information and your visa grant number or transaction reference number (if lodged online) listed above. More information is available at www.immi.gov.au/VEVO. Alternatively, if you have a QR application on your mobile phone device you can use this to access the VEVO website via the QR code (located on the top right hand side of your letter).

Foreign governments have been informed about Australia's label-free policy and airline staff will electronically confirm you have a valid visa before you board the plane to travel to Australia.

Most countries have specific entry, exit and visa requirements. If you are transiting or exiting through another country, it is your responsibility to check with the relevant government authorities. The Australian Government cannot advise on other countries' requirements.

Polio vaccinations

On 5 May 2014, the World Health Organization (WHO) Director General declared the recent international spread of wild type polio virus to be a Public Health Emergency of International Concern under the International Health Regulations (IHR). Ten countries, listed below, have been identified as having suffered recent outbreaks of polio.

If you are from one of the countries listed below, or have spent 28 days or longer in these countries on or after 5 May 2014 we encourage you to have a polio vaccination prior to departing for Australia. Having the vaccination will also assist in eradicating the spread of polio.
